

Competition Info # 3

published on 22June22 21:30 hrs

1. Safety rule (reminder)

In the small helicopter the seat belt is mandatory for the first jumper in the door.

2. Shuttle plan

For the transport back from 2nd DZ (Style or FS) only authorized packing (e.g. rejump in style)
No packing at PUNITZ airfield, each Pilatus (8pax) has one bus to go back immediately.

3. Competition progress

Accuracy 2 rounds for female and male completed
Style: 2 rounds for female and male completed (last landing 20:50)
Live results are at
<http://results.worldskydiving.org/FrontEnd/CompetitionCollection/1040>

4. Media

You can find pictures and daily video at <http://cism-austria.at/20220620/gallery.html>

5. Plan for 23 June

Standard plan with teamleadermeeting at 0730
Preliminary intention: start wirth male Style round 3, female Accuracy round 3 (can be changed due to weather and will be communicated at teamleadermeeting)

Thank you all for good work today!

My personal thank goes to all participants for their discipline and patience to my organizing staff and to the aircrews for their work that all together contributed to achieve the completion of two rounds in Style an Accuracy on first day in spite of a late start due to the ceremony and a 90' delay due to the weather hold in late afternoon.

see you tomorrow
